

ICISD Event Guidelines

“CORONA AND CONSTRUCTION”

2020 will continue to be a very trying year for everyone dealing with COVID-19. In addition, ICISD is undergoing major renovations at the football stadium. With these two things in mind, we are asking all fans to follow some “out of the ordinary” rules and guidelines this season. Irion County ISD will heed the advice of the CDC, UIL, TEA and local health officials during all events on our campus. We appreciate your cooperation. Thanks for understanding, and enjoy the game!

- **All fans and spectators are asked to self-screen before attending any athletic competition. If you have symptoms, please DO NOT attend!**
- **Students in PK-6th Grade, including pre-school age children, will NOT be admitted to any sporting event without adult supervision.**
- **Students in Grades 7-8 will NOT be admitted to high school athletic events without adult supervision.**
- **Spectators including all PK- 8 students will be required to sit in the bleachers (with parents or guardians) except when they are purchasing items from the concession stand or using the restrooms. Anyone not following these guidelines will be asked to leave.**
- **Loitering is NOT permitted inside or outside the stadium area.**
- **Masks are strongly recommended upon entering the facility and around concession and restroom areas. (Irion County is an exempt county from the Governor’s Executive Order GA-29).**
- **We ask that all fans and patrons to abide by “Social Distancing” as much as possible, as recommended by the CDC.**
- **Fans will not be allowed on the track or game field before or after the game. This is per UIL regulation during COVID-19!**
- **All fans and non-school personnel must stay **behind the marked areas.****
- **Any tunnels or run-throughs will need to be taken care of by cheerleaders or designated/approved school officials or personnel.**
- **No congregating around the entry or field house where teams enter or exit the field. Spectators are asked to leave the stadium immediately following the end of the game.**
- **All stadiums and gymnasium capacity will be limited to 50% of the maximum capacity.**
- **Our stadium is finalizing construction on restrooms, concessions, and entrance areas. Portable toilets and portable concession facilities will be available.**
